TIE BREAKER OPTION: (Signature) _____

By signing **The Tie Breaker Option**, I give permission (in the event of a tie) to add $3.00 per tie item to break the tie. This is a one time option. Tie bids will be decided in favor of the earliest received bid, unless one of the bidders uses the Tie Breaker option (see bidding sheet for details). If both bidders sign up for the Tie Breaker Option, the earliest bid received will be the winner of the lot or lots.
