- Description:** *The legend of the Minotaur - the bull-headed monster slain by the Athenian hero Theseus - has captivated people since ancient times. Archaeologist Arthur Evans was determined to find out if there was any truth behind the myth. Digging on the island of Crete, he unearthed the magnificent palace of the ancient Minoans. Evans never found the Minotaur's labyrinth, but his digs reveals much about the ways of the mysterious Minoans, from their costume and pottery to their strange rituals. In Search for Knossos tells the story of Evan's discoveries. Superb illustrations invite the reader to share his excitement at unearthing an ancient civilization, and through this to learn about the everyday life of the Minoan people.*
- Greek-009** **Caselli**, Giovanni. *In Search of Troy. One Man's Quest for Homer's Fabled City*. (New York: Peter Bedrick Books, 1999). ISBN: 0-87226-542-0. **Cost: \$6.00**
- Description:** *This is the story of one man's determined quest to find Homer's fabled city. In the Iliad, the Greek poet Homer described the magnificent city of Troy, and the long war between Troy and ancient Greece that ended in the city's destruction., Fascinated by Homer's tales, Heinrich Schliemann set out to find Troy at a time when most historians believed the Iliad was a mythic tale, and Troy an imagined city. In 1873 he succeeded. He unearthed temples, palaces and great stores of treasure, as well as the home of ordinary people, and discovered much that matched Homer's descriptions. In Search of Troy chronicles one man's quest and its success. With superb illustration, it recreates the everyday life of the Trojan people, and adds color and depth to a reading of Homer's Iliad.*
